

...AND OTHER DESTINATIONS WILL SOON FOLLOW

It's not because we have just opened Rome that we are now taking a rest! We are already looking at other interesting destinations, namely Barcelona and French Riviera.

These two destinations are on the top of our list, simply because they are great places to spend a holiday. But it's been said that Barcelona and the French Riviera were not really family friendly destinations. That's because Family Twist isn't there yet but luckily, this will soon change!

By the end of the year, families from all over the world will be able to enjoy activities and packaged breaks around these Mediterranean destinations.

And what better way to enjoy pre- or post-cruise time than by learning more about the culture of the country through family activities and games!
