Family Twist is a new travel company that seeks to introduce the wonders of Paris to families looking to enjoy a luxury break with young children. With tailor-made itineraries that are specifically designed to make life easier for parents or grandparents, the City of

Lights can be enjoyed as never before by a new generation of visitors. A broad range of hand-picked, luxury accommodation, transport and activity options is available to maximise fun for kids and parents alike, creating special family memories that will live on well after the holiday. A typical Family Twist day might include a treasure hunt around one of the city's famous museums, a walking tour with Belle Époque characters around the famous Montmartre district, a baking masterclass at a local spot designed especially for kids, or Impressionist painting classes a stone's throw from the Louvre, all the while being ferried around in a classic Citroën 2CV, a personal yacht down the Seine or even a horse-drawn carriage. The adults can also look forward to a relaxing time thanks to the availability of English-speaking babysitters, who can take care of the kids while their parents enjoy a romantic meal or a trip to a spa. Treats and surprises await at every turn, with little presents for the kids on arrival, great restaurant recommendations and tips on places to visit that will make guests feel like real Parisians. It is this special attention to detail that will appeal to you and your family if you are looking for fun, luxurious and hassle-free holidays in Paris.
